REASONS FOR ALLOWANCE

1. Claims 2-11, 13-18 and 20-23 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The applicant has amended claim 10 and claim 15 with the limitations of claim 12 and claim 19, respectively, which recites the second housing portion further comprises a movable engagement tab being positionable from a first position to a second position, the movable engagement tab being formed of a material having resilient characteristics and said movable engagement tab being configured to engage a portion of the first housing portion.

The applicant has argued that the "movable engagement tab" as claimed is not clearly shown, disclosed or suggested by Lee reference. The applicant's arguments have been fully considered and are persuasive. The limitations discussed above are neither disclosed nor suggested by the prior art of record. Therefore, claims 10 and 15 are allowed.

Claims 2-9, 11, 13 and 14 are dependent on claim 10.

Claims 16-18 and 20-23 are dependent on claim 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
